

## Jeff Thomas, Chief Executive Officer

Jeff Thomas is president and Chief Executive Officer of Ambassadors Group, Inc. Jeff joined People to People Ambassador Programs in the fall of 1995. In less than one year, Jeff had been promoted to President and began to transform the organization: from 10,000 to over 50,000 delegates; from two programs to four programs, including the Student Ambassador Program, the Citizen Ambassador Program, the Sports Ambassador Program, and the Leadership Program; from USA-only delegates to delegates from over 100 different countries. In addition, under Jeff's leadership, the programs have continued to develop into highly unique, high quality programs with community service elements (over 100,000 hours of community service by Student Ambassadors in 2007 alone!), interactions with Supreme Court Justices, Cabinet-level officials and royalty in Europe, and personal growth experiences that help to shape and develop the students for whom we care.

Prior to joining People to People Ambassador Programs, Jeff held a variety of development and strategic positions throughout the United States and Europe. He double majored in Government and Economics at Dartmouth College, graduating Phi Beta Kappa in 1989. He also studied International Relations at the London School of Economics. Jeff is happily married, with five sons, a daughter, and a dog, Tasha.
